If, after review of your request, the JNC determines that the requested records are exempt from disclosure for a reason set forth in the Access to Public Records Act, the JNC reserves the right to claim such exemption.

The Access to Public Records Act allows a citizen the opportunity to inspect and/ or to copy public records. The cost per copied page of written public documents will be \$.15 per page and an hourly rate not to exceed \$15.00 (fifteen) dollars per hour for time spent for the search, retrieval and redaction of necessary documents, with no charge for the first hour. If the request requires a charge to be assessed, due to the manner in which the information is stored, a charge will be made for the actual production and/or reproduction cost.

The JNC will provide an estimate of charges, allowing for a retraction or amendment to the request, prior to any further action by JNC. If there are charges associated with the production of documents, the time for JNC to produce the documents will be tolled until payment of the charge estimate is received by JNC.
